TWISTER PAD

Twister™ is a revolutionary cleaning system consisting of floor pads prepared with billion of microscopic diamonds which clean and polish the floor mechanically instead of using chemicals.

Outstanding quality : clean floors with high gloss every day without waxes and polishers;

Cost efficient : faster, easier and cheaper cleaning;

Environmental sustainability : eco friendly cleaning, just add water;

User friendly : the same routine with better results;

Twister™ diamond pads can be used on most common floor surfaces such as terrazzo, ceramic tiles, linoleum, vinyl/plastic, natural stone and concrete. Twister™ is the tool that transforms your dull, worn floors into clean, glossy and brightly polished floors.

HARD

RED TWISTER PADS

For heavy duty cleaning of worn stone floors. Twister™ Red will effectively remove scratches and stains from the surface and leaves a clean, matt surface prepared for the subsequent Twister™ steps.
